Jack Clayton

Jack Rowan

Clayton, Rowan Named Coaches

Jack Clayton has been appointed head football coach and Jack Rowan has been named assistant coach to complete the 1957 football coaching staff at the College.

Clayton comes to Northwestern from Western Kentucky State College, Bowling Green, where he has been serving as head football coach since 1948. Rowan is from Shreveport where he served as head coach of Byrd High School.

Clayton and Rowan will take over their new duties on February 1. Clayton will also take over the duties of director of athletics on July 1.

Coaches Walter Ledet and Alvin Brown will continue as assistant coaches of football and will continue their work as track and baseball coaches, respectively. Both have produced outstanding teams in these sports. Ledet's track teams have won four straight Gulf States Conference championships.

The new head coach comes to Northwestern with a good record for the past nine years. His Hilltoppers posted 50 wins, 33 losses, and 2 ties for that period of time and were winners in seven of nine seasons. In 1952 Clayton brought Western Kentucky its first bowl championship when they defeated Arkansas State in the Refrigerator Bowl in Evansville, Indiana, following a 9-1 season. In 1954 his team tied an all-time Western rec-

ord when he won seven straight games.

Clayton began his career in the teaching profession in 1936 at Bossier High School and moved to Vivian in 1942. He served in the U. S. Navy from 1942-1946. He coached basketball at Centenary in 1946-47 and went to Western Kentucky as assistant football coach in 1947.

He is a native of Louisiana and finished high school at Haughton. He received his B. A. Degree at N. S. C. in Mathematics and Science in 1936 and his M. A. Degree from L. S. U. in 1947. Clayton is married and has one child.

Rowan, an outstanding high school coach, is a graduate of Concord State College of West Virginia, and did graduate work at University of West Virginia.

Before coaching at Byrd High School, Rowan was head coach at Mullens (W. Va.) high school, where he produced two undefeated high school teams and one state championship. His Byrd team won the state championship in 1949 and was in the title play-off in 1953.

Rowan was in the U. S. Navy from 1941-1945 and is battalion commander of the Naval Reserve Surface Division in Shreveport.

Rowan is married to the former Mary Baucum of Haynesville, and they have three children.

Both Clayton and Rowan are members of the Kiwanis Club.

Approval Given for Million Dollar Revenue Bonds for 3 New Dormitories

Northwestern State College received final approval on a federal government housing loan on December 21 in the amount of \$1,073,000. The money will be used for the construction of three dormitories, two for the use of women and one for men.

U. S. Senator Allen J. Ellender wired President John S. Kyser apprising him of the fact that the Housing and Home Finance Agency in Washington has approved Northwestern's application to issue revenue bonds for the construction of the new facilities.

The State Board of Education authorized the College to make application for the loan in order to partially alleviate the housing shortage on the campus. The final approval of the application came as a kind of Christmas present to the College as notification of the approval came on the last working day prior to the holidays.

HOUSE 300 STUDENTS

The three new dormitories will furnish housing for 300 students on the campus. Each new dormitory will be constructed to house 100 students. The dormitories will be two stories high and of fire-proof brick construction. In addition to the facilities for 100 students, each dormitory will contain a house director's apartment, student lounge, recreation room, two-way communication system, dining facilities, and other modern facilities.

The new men's dormitory will be located just west of Caspari Hall (a men's housing unit), and will be joined to Caspari Hall by a student lounge which will be used by both units.

One of the dormitories for women will be built on the site presently occupied by the Home Economics Practice Cottage. The other will be built just off Sibley Drive extension near the site where the new Biology building is under construction.

Final plans for the structures are being rushed to completion to permit the beginning of construction at the earliest possible date.

Bradshaw Elected Vernon School Head

Curtis Bradshaw, A. B. '36, of Anacoco, was unanimously elected as Superintendent of Vernon Parish Schools, effective July 1.

The superintendent-elect has been principal of Anacoco High School for the past twenty years. He succeeds Superintendent T. L. Harvey, who is retiring on June 30, after having been active in the schools of Vernon Parish for 40 years. Harvey served as teacher and principal for 16 years and as superintendent for the past 24 years.

Bradshaw, a native of Vernon Parish, is a graduate of Anacoco High School. He received his A. B. Degree at Northwestern State College, and his M. A. Degree at Louisiana State University. He is a member of Vernon Parish Teachers' Association, Louisiana Teachers' Association, Louisiana Principals' Association, and National Education Association of Secondary Principals.

Elected to serve with Bradshaw is Russell Jackson, A. B. '45, of Simpson, who was named assistant superintendent.

First President of Alumni Ass'n Dies

Miss Bessie Virginia Russell, first president of the Alumni Association in 1894, the year the association was organized, passed away on December 25 at her home in Natchitoches.

A graduate of the Class of 1889, Miss Russell immediately began teaching in the training school and became a supervisor in the primary department, resigning about 1920. She was born on May 17, 1868, at Nacogdoches, Texas, the daughter of Major Evariste Russell and Sallie Esther Alexander Russell.

"Miss Bessie," as she was usually called, was closely identified with the civic and cultural life of the community for over fifty years. She served as president of the Alumni Association a second time in the year 1899.

Mr. and Miss Northwestern

For the first time this fall, the students of the college elected "Mr. Northwestern" and "Miss Northwestern." These two were selected from the student body at large on the basis of being active in college affairs and well known and well liked by their fellow students.

Receiving the title of "Mr. Northwestern" was Dick Brown, senior health and physical education major from Converse. The title of "Miss Northwestern" went to Billie Sunshine Walker, senior business education major from Haynesville.

Both Brown and Miss Walker are seniors and have been active in many student and college affairs. They are exceedingly popular with the student body, who selected them for their real value to the college and its activities.

She was then sent to Walter Reed Medical Center for another training period of five months, after which she was assigned to Walter Reed for duty.

She was scheduled to leave San Francisco for her assignment at Tripler Army Hospital on January 14.

Lt. Metcalf has gained for herself quite a reputation at Walter Reed Medical Center as an outstanding woman athlete. She has participated in softball, basketball, volleyball, and golf. As a matter of fact, Lt. Metcalf has been a leader in athletics since her high school days in Shreveport.

In a note received this month, Lt. Metcalf said: "While on Christmas leave I visited Northwestern and noted many new buildings on the campus since my graduation in May '53; certainly shows progress."

"Have enjoyed the Alumni Col-

umns so much and know I will continue to do so, especially being so far away."

A recent letter from Virginia Downs Gibbons, B. S. '41, of 5211 Merrick Street, Shreveport, states that she gave up teaching about two years ago and is now working as a secretary. She likes her new work but says it is not easy for a pianist to switch to a typewriter, even though it might look easy. She wrote to give us her present address, listed above, so that she would not miss any copies of the Alumni Columns. She said in part, "In spite of the fact that I never get around to saying so, I do enjoy receiving it . . ."

Just received a nostalgic letter from Marjorie Myrick Earnest, who starts off like this: "When I used to tie bundle after bundle of Alumni Columns, I'm afraid I didn't realize how important they were to the addressees . . ." You see, Marjorie used to work in the Alumni office and helped to get the Alumni Columns in the mail.

Since Sovilla Janet is the first grandchild on each side of the family, the Smiths had better have a few extra rooms for the grandparents in case they just "dropped in" to see Sovilla.

Demon Basketball Squad for 1956-1957

The Demon basketball squad is pictured above. Reading from left to right, bottom row: Dick Brown, Jimmie Leach, Bobby Wicker, Elvin McCann, William Stewart, Gil Seorcy, Ronnie Lebo, and Pete Walpole.

Top row: Earl K. Long, Mickey Crnkovic, Bobby Howell, Laopy Longstan, Larry Fontenot, Jimmie Atkins, and Don Ootley.

Of the above group, two, Brown and Longstan, are seniors, while Lebo and Crnkovic are juniors. Howell, a junior college transfer, is also classified as junior. Sophomores include Leach, Wicker, Walpole, Fontenot, McCann and Ootley (a transfer from L. S. U.). Classified as freshmen are Atkins, Stewart, Long, and Seorcy.

Demon Basketball Schedule Two-Thirds Completed

With nine games left on the regular schedule, the Demon basketball team now has a record of eight games won and ten lost for a percentage of .444.

Starting the season off rather slowly, the Demons lost the first three games of the season, two to Stephen F. Austin (66-70 and 49-59), and one to East Texas State (55-58). Returning to their home court for 5 games in seven days, the Demons put on a rally to defeat Centenary 71-64, and two nights later evened the series with East Texas State by dropping them 71-63.

The following two nights, the Demons fell before Southeastern Oklahoma State by scores of 53-66 and 67-78, then took Southwestern Louisiana Institute by a 70-53 onslaught for the first Gulf States Conference game.

Southern State of Arkansas next defeated the Demons at Magnolia, 63-74.

The Demons took part in the Louisiana Invitational Tournament at Shreveport during the holidays. Going into the tournament with a 3 won, 6 lost record, they were definitely underdogs and rated about seventh or eighth in an eight team tournament. The Demons met Hardin-Simmons of Abilene as their first opponent and, during the first half, put on a demonstration of how *not* to score points. With the half time score

reading 20-12 against them, the Demons came to life and defeated Hardin-Simmons 54-39. The win moved them into the bracket against Loyola. The Loyola-Northwestern game was the most tense and spine-tingling game of the tournament. The game was tied 18 times and the lead changed hands 27 times with Loyola coming out ahead 86-83. Incidentally, Loyola won the tournament.

Meeting Louisiana State University the following day for third place, the Demons put on a demonstration of fast and accurate shooting, bowling over L. S. U. 103-75. This score was the highest made by any team in the tournament.

Individual honors for scoring in one game went to Dick Brown with 32 points against L. S. U. with Jimmie Leach scoring 30 points to tie the high point man for the tournament. Brown was selected as a member of the tournament team.

Once the Demons started rolling, they won their next three games against North Texas State, Louisiana College, and Southern State of Arkansas by scores of 60-59, 87-85, and 96-74, respectively.

LOSE THREE CONFERENCE GAMES

After their brilliant winning streak, the Demons faltered near the end of their next three games against conference foes and were defeated by McNeese State 41-52, Louisiana Tech 43-56, and Northeast State 83-86. This gives them

a 1-3 Gulf States Conference record which is the lowest record, percentage wise, the Demons have made in several seasons.

Top scorer for the Demons has been their candidate for Little All-America honors, Dick Brown. Brown tied and went above the all-time scoring record of Claude "Jodie" Stoutamire (1,534 points), in the Louisiana College game. Since that time he has brought his total points to over 1,600. The rest of the season means that every time he scores a point he will be breaking his own record, the highest individual scoring record of any player on a Demon team up to the present time.

The remainder of the Demon schedule will be conference games with the exception of three games with Centenary, North Texas State, and Louisiana College.
